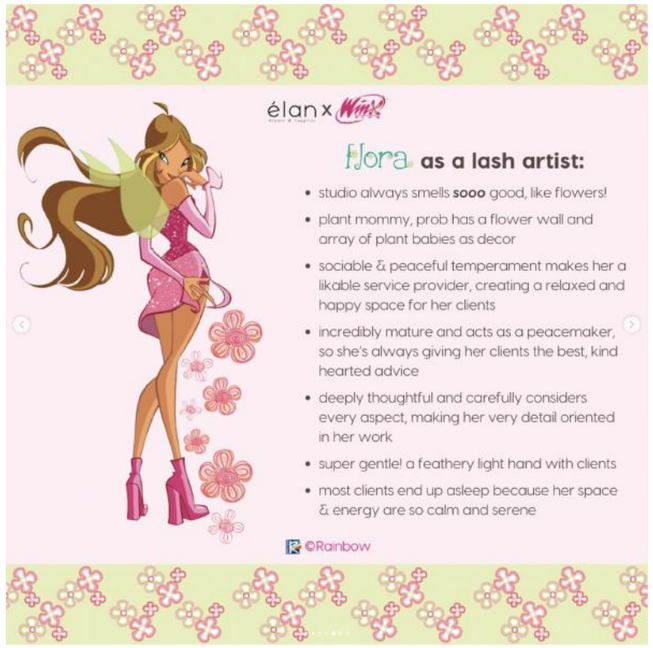
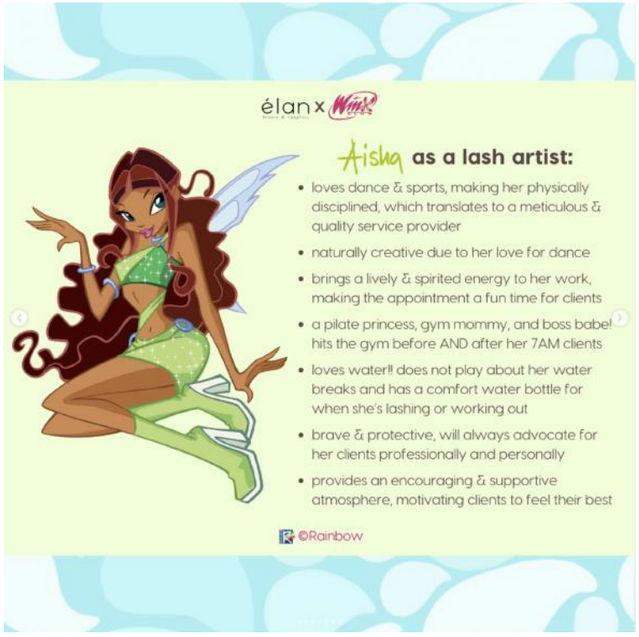
élan x Winx
Bloom as a lash artist:
• main character energy! loves making lash content that people gravitate towards
• a natural leader, so she loves teaching and sharing advice to other lash artist!
• extremely motivated & determined about her business and artistry, so she's always putting 110% into every detail
• brave & determined nature does not allow fear to steer her away from a complicated lash set
• supportive & loyal, always ready to help support her clients with the utmost care
• resourceful and good at problem solving! she has the knowledge to conquer any problems
• selfless to a fault and may even prioritize her client's needs above her own
©Rainbow

élan x Winx
Stella as a lash artist:
• certified yapper!! clients and her never run out of things to talk about! always keeping their convos fun & lively
• always greets her clients with a positive & upbeat attitude! so friendly~
• super thoughtful and will go the extra mile for her clients
• genuinely very sincere and caring about her client's satisfaction & comfort
• loves to indulge in clothes & makeup frequently, her passion for beauty makes her an expert!
• miss fashionista! always dressed to the nines, even for early lash appointments!
• a problem solver and quick to find resolutions that may arise during an appointment
©Rainbow



élan x Winx
Flora as a lash artist:
• studio always smells **sooo** good, like flowers!
• plant mommy, prob has a flower wall and array of plant babies as decor
• sociable & peaceful temperament makes her a likable service provider, creating a relaxed and happy space for her clients
• incredibly mature and acts as a peacemaker, so she's always giving her clients the best, kind hearted advice
• deeply thoughtful and carefully considers every aspect, making her very detail oriented in her work
• super gentle! a feathery light hand with clients
• most clients end up asleep because her space & energy are so calm and serene
©Rainbow

élan x Winx
Musa as a lash artist:
• always has a fireee playlist! puts clients onto new music because of her amazing music taste
• intuitive and perceptive: uses her keen instincts to understand and anticipate her clients' needs and preferences
• clients feel comfortable confiding in her, knowing she's very trustworthy
• her brave and bold nature makes her willing to try new and daring lash styles, push boundaries and explore creative techniques
• extremely creative at heart, can lead to bursts of creativity and unique lash designs
• adaptability allows her to adjust her approach on the client's needs, ensuring a personalized experience every time
©Rainbow



élan x Winx
Aisha as a lash artist:
• loves dance & sports, making her physically disciplined, which translates to a meticulous & quality service provider
• naturally creative due to her love for dance
• brings a lively & spirited energy to her work, making the appointment a fun time for clients
• a pilate princess, gym mommy, and boss babe! hits the gym before AND after her 7AM clients
• loves water!! does not play about her water breaks and has a comfort water bottle for when she's lashing or working out
• brave & protective, will always advocate for her clients professionally and personally
• provides an encouraging & supportive atmosphere, motivating clients to feel their best
©Rainbow

élan x Winx
Tecna as a lash artist:
• techy savvy kween! definitely has a booking website and runs her entire business online!
• strong background of science! very knowledgeable about the technique of lashing (retention game goes crazy!!)
• generously goes out of her way for clients, offering extra services or advice to enhance their overall experience
• an innovator! develops new techniques & methods to improve lash artistry, much like her inventive nature
• very confident and clearly understands her strengths and capabilities as an artist
• focused & determined nature makes her a fast and diligent service provider
©Rainbow
